You can print the score, beautifully processed by Sibelius, at times. You can print the score from our site, or from apps for MAC and PC of the Playground. We will follow all your purchases, so that you can come back months or at 10 years later, and we will still have your library available for you. When downloading Playground Sessions (Grand Tis) and connecting your MIDI keyboard, you may practice the theme of Mia & Sebastian in à € La Landà € of Justin Hurwitz, section by section. With the playground, you are able to identify which finger you should use, as well as a keyboard on the screen that will help you identify the correct keys to play. You can also decrease the temperature, which is to learn a new mother. At the end of every session of training, you will show your precision score and the application will record this so that you can monitor your progress over time. Finally, when you have dominated the theme of Mia & Sebastian from à € La Landà €, you can record yourself playing and sharing it with your friends and family.
